Memorandum

TO : L - Mr. Sallans

DATE: May 20, 1968

FROM : L/C - Ernest L. Kerley

SUBJECT: Status report on U.S.S. Liberty personal injury claims

We have reviewed the files of the U.S.S. Liberty personal injury cases with the Veterans Administration rating experts in order to determine the percentage of permanent impairment. All files were reviewed except for 26 in which the medical information was clearly incomplete and we had requested additional information in March. On the basis of our review with the Veterans Administration, we are now requesting additional information on 18 other cases. We are asking the Navy to expedite.

Thus far we have 5 permanent impairment cases: 2 - 100%, 30%, 20% and 10%.
